

MINUTES OF THE ANNUAL GENERAL MEETING OF THE TOWN HALL WORKING GROUP  
HELD 12.02.07.

Present W Aron, R Fisher, J Benton, Mark and Karen Carter

Apologies. J Fisher, J Tempest P Body.

The chair explained that as we are now a formal group we have to have an AGM this would be separate from the meeting to be followed after to prevent confusion.

1. Election of officers. As the group had drooped of somewhat probably due to lack of progress with ELDC all the posts were re-elected unanimously. The chair said that this was normal and people would come back on board if ELDC decide to go ahead. Their stance is in fact damaging the moral of some of the group GON said that is what ELDC want so we will go away and it was important to keep up the momentum.

Treasurers Report.

R Fisher said that the financial position can only cover essential expenses such as printing and hire charges funds stand at just over £1100.

Secretary's Report.

M O'Neill said that enquiries for funding have meet with a lot of resistance basically until ELDC commit to the concept funding will not be available.

AOB.

No AOB AGM concluded to be followed by main meeting.
